PAMPERED "4" PAWS
GROOMING RELEASE

**The following is a release that all grooming customers must sign.
Please read the information below and sign at the bottom of the page.**

We are pleased that you've chosen us as your pet's groomer and we do our best to meet all the needs of our clients. Here are a few of our policies for our shop that all must follow and agree to:

Pampered 4 paws will not be held responsible for clipper burn and/or minor nicks resulting from grooming a matted, neglected coat. Coats that are neglected often result in bruises or irritation due to matting. Please be aware that these issues will not always become apparent until after grooming and we are not responsible for preexisting injuries. Our grooming salon will not be held responsible for irritation caused by removing fur from pets that possess skin allergies, nor will we be held responsible for stressful effects grooming may have upon elderly pets. We will not be held responsible for any sickness or injury caused by the pet to itself during grooming. Pampered 4 Paws is not responsible for any accidental death of a pet due to the nature of pre-existing health conditions or natural disasters (fire, storm, flood, etc.).

The owner of the pet specifically represents to our salon that the pet has not been knowingly exposed to rabies, distemper, parvo virus, bordatella or any other contagious diseases in the last thirty days. This includes getting required vaccinations within 24 hours prior to scheduled grooming service. If said diseases are brought into our facility due to this circumstance, the owner of the offending pet will be held solely responsible for any damages or health problems caused to the shop or its inhabitants.

If your pet becomes ill or if the pet's health/wellbeing requires professional attention, Pampered 4 Paws reserves the right to engage the services of a veterinarian, administer medication, or give other required attention to the pet as needed. Your pet's veterinarian will be used as the primary choice but other veterinarians may also be used. All expenses accrued will be paid promptly by owner unless injury is a direct result of negligence of our shop. Our shop will be notified of any claims by owner within 24 hours of grooming appointment. In the event we dispute owner's claim, we will personally consult the attending veterinarian prior to settlement to ensure a fair and correct outcome.

Owner of pet agrees to pay the current rate for grooming in effect on the date the pet arrives at the salon. Owner further agrees to pay all costs and charges for special services requested and/or fees for extra time spent handling aggressive or matted dogs. We reserve the right to refuse service to customers whose pet may pose a threat to us or to other pets left in our care, whether it be an aggression, health, or parasite problem (other than fleas). For flea cases, a flea bath will automatically be given to your pet to prevent spreading of fleas within the shop to our other pets. You will be responsible for this cost and it will be added to your bill.

If your pet is not picked up by 6 pm on the day that is being groomed, we reserve the right to board said pet overnight in our facilities. You will be charged an overnight fee for the stay and will need to make arrangements to pick up your pet ASAP. If the pet is not picked up within five days of the grooming service, the pet will be deemed abandoned. If this should occur, Pampered 4 Paws has the right to claim possession of the pet in order to take it to the local Humane Society. All terms and conditions of this agreement are deemed binding between Pampered 4 Paws and pet owner.

We are here to serve you and your pet to the best of our ability. Our goal is to make this a safe and clean environment for your pet. We appreciate your business and if you have any problems or questions, please call
